The screenshot shows the AUCA e-Course System website. The browser address bar displays ecourse.auca.kg. The website header includes the American University of Central Asia logo and a 'Home' link. A 'Log in' link is located in the top right corner, with a red arrow pointing to it. A green callout box with a black arrow points to the 'Log in' link, containing the text: 'To log in click top right or open block drawer (black arrow)'. A black arrow points to a circular 'Open block drawer' button in the top right corner. The main content area features the title 'AUCA e-Course System' and two sections of quick links: 'FACULTY QUICK LINKS' and 'STUDENT QUICK LINKS'. A search bar labeled 'Search courses' is positioned below these sections. The 'Course categories' section is partially visible, showing 'Technical School of Innovation' with sub-categories '1 курс (32)' and '2 курс (36)'. A 'Collapse all' link is located to the right of the categories. The Windows taskbar at the bottom shows various application icons and the system clock displaying 15:53 on 19.08.2022.
