

https://e-course.auca.kg

The screenshot shows the AUCA Electronic Course System interface. At the top, there is a navigation bar with a search box and a language dropdown set to 'English (en)'. A green box labeled 'Choose language – EN or RU' points to the language dropdown. Below the navigation bar, the main content area is divided into several sections. On the left, there is a 'QUICK HELP' sidebar with 'Faculty' and 'Students' sections. The 'Faculty' section has a green box labeled 'Faculty' and a dashed line pointing to the 'To Request a New Course click here >>' link. The 'Students' section has a green box labeled 'Students' and a dashed line pointing to the 'How to Create a User Profile' link. The main content area has a green box labeled 'To request a New Course' pointing to the 'To Request a New Course click here >>' link. Below this, there is a text box with instructions: 'ONE and the SAME network username and password for desktop computers on campus, access e-course.auca.kg and onlineregistration.auca.kg. To recover, reset, or renew your Network Password, contact IT office by email it@auca.kg'. To the right, there is a 'Login' form with a green box labeled 'Login' pointing to the form. Below the login form, there is a section for 'e-Course admin contacts' with a green box labeled 'e-Course admin contacts' pointing to the section. At the bottom, there is a 'Course categories' section with a green box labeled 'Courses are listed in Categories' pointing to the 'Technical School of Innovation' category.

Click on the **hamburger** icon to open/close the nav draw

Here you locate the list of students enrolled in your course, as well as useful option **bulk emailing** (send a message to students)

Click on your **Name** to access your profile and other useful features

ICONS
Loupe – search box
Bell – notifications
Message – private and group talks

Navigation bar

Whenever you add a different activity or resource to your course, an icon will appear in this block

Click on the **Edit** link to see available options

The names of the topics can freely be changed (press Enter on the keyboard when you finish)

Here you add **Activities** – something the students has to do
Resources – files (docx, xlsx, pptx, pdf, jpg, mp4), web links, and many more

Editing on and off

Some parts of the content can be hidden for the students

Option to hide or highlight any topic

Check/change an enrollment key

My courses – quick links to your courses

Add additional blocks to the course page

With this icon you can move a whole topic or a single document
