

About the Dashboard

- Think of it as a personal page that organizes everything in one place, so you can focus on learning.
- It helps you quickly find important things:
 - a list of all activities with deadlines;
 - recently accessed courses;
 - a calendar with upcoming events;
 - course/s completion progress;
 - and items you recently interact with.

Once you have logged into the e-Course, go to the top left of the screen

1. Timeline: what's due next?

The screenshot shows a 'Timeline' interface for a course. At the top, there is a 'Timeline' header with a dropdown menu set to 'All' and a 'Sort by courses' option. A search bar is located to the right. A blue callout box points to the dropdown menu, containing the text: 'Filter the list by Courses and over differing Timescales (from All to Next 6 months)'. The main content area displays a list of assignments with their due dates and times. Each assignment entry includes a date, a time, a title, a status (e.g., 'Overdue'), and an 'Add submission' button. The assignments are grouped by course: 'Digital Literacy Fall2024', 'FYS100/ENG122 (Hardin)', and 'Psychological Tests'.

Use the Timeline as your to-do list to make sure you don't miss any important deadlines:

- you can easily see what needs to be done and when (e.g. submit an assignment, take a quiz, post a forum);
- you can organize tasks by due date to know what's expected of you for the week or month.

2. Calendar: stay on top of your schedule

The image shows a calendar interface with several callouts:

- Calendar**: A dropdown menu is set to "All courses".
- Leave this setting by default to view upcoming events from all courses you are enrolled in**: Points to the "All courses" dropdown.
- New event**: A button to add a new event.
- You can add your own personal events, such as study sessions or reminders, etc.**: Points to the "New event" button.
- Click on an event for more information**: Points to an event in the calendar.
- Click here to display your calendar in a full view**: Points to the "Full calendar" link at the bottom left.

The calendar shows events for September and October. A callout for "Quiz#2 closes" provides details: Thursday, 10 October, 2:00 PM, Course event, Psychological Tests, with a "Go to activity" link.

Export calendar

The calendar URL provides a dynamic link for importing events into other calendars. Any new, changed or deleted events in the source calendar **will** be reflected in the other calendars.

The calendar export allows you to create a backup copy of events, which may be imported into other calendars. Updates made in the source calendar **will not** be reflected in the other calendars.

Your Google calendar

- The calendar imported from e-Course should show up in your list of other calendars.

Click on it to adjust the name and other settings.

- Note: It can take up to a day for changes in the e-Course calendar to be updated in your Google calendar view. This is a Google limitation.

The screenshot shows the Google Calendar interface for October 2024. On the left, the 'Other calendars' section is highlighted with a yellow circle labeled '1'. A dropdown menu is open, showing options: 'Subscribe to calendar', 'Create new calendar', 'Browse resources', 'Browse calendars of interest', 'From URL' (highlighted with a blue box and a yellow circle labeled '2'), and 'Import'. Below the menu, the 'Other calendars' list includes 'AUCA Academic Calendar', 'CTLT TEAM', and 'Faculty workshops'. A calendar grid shows dates 30, 1, 8, 28, and 29. Two events are visible: 'Submission of Mid-Semester Progress Reports' and 'Fall Break (No Classes)'.

1. Go to Other calendars and click Add
2. In the list select From URL

The screenshot shows the 'Settings' page for adding a calendar from a URL. The 'From URL' section is highlighted with a yellow circle labeled '3'. The URL 'https://ecourse.auca.kg/calendar/export_ex...' is entered. Below the URL, there is a checkbox for 'Make the calendar publicly accessible' and an 'Add calendar' button (highlighted with a blue box and a red arrow pointing to it, with a yellow circle labeled '4').

1. Paste in the URL from e-Course
2. Click Add calendar

3. Completion progress: visual indicator

- ☑ If your professor enabled it, you can access it on both the Dashboard and the course page.
- It visually shows what activities/resources you are supposed to interact with.
- It is color-coded so you can quickly see what you have and have not viewed/submitted.
